

## Valentine's Day (A1+)

**Valentine's Day, 14 February, is the perfect day to say, "I love you".  
There are different traditions for Valentine's Day.**

In America, kids give Valentine cards to lots of people: their **classmates**, teachers, parents, friends... and dogs, cats and other **pets**! They can buy packs of cards for their classmates and their teacher.

You can buy a card or make one. In Britain, Valentine cards must be anonymous.

You can't sign your name!

Valentine's cards generally have poems. The poem in this card is:

Love is sweet.

Love is kind.

Love is you.

These are traditional poems to write on cards for Valentine's Day. Some are nice and romantic, but others aren't!
